

**THE CORPORATION OF THE TOWN OF COCHRANE
REQUEST FOR QUOTATION
2019**

GNSS RECEIVER & BASE STATION

The Corporation of the Town of Cochrane invites quotations for a Sokkia GCX3 Receiver (Network RTK) or equivalent. Quote must include all parts necessary for operation of the rover, including but not limited to, protective cases, cables, desktop and data controller software, carbon fiber pole, rugged tablet field controller. Proponent shall also include the supply and installation of a Reference Station Network (Dual Frequency GNSS receiver) on the Infrastructure Services building and annual subscription costs. For any optional/additional parts, provide price as a separate line item.

Quotations under this RFQ will be received no later than **11:30 a.m Thursday August 1st, 2019 local time** in a sealed envelope clearly marked:

“RFQ 2019 – GNSS Receiver & Base Station”

Those wishing to submit a proposal may do so by emailing the bid to the undersigned. No oral or telephone proposals will be accepted.
