

THE CORPORATION OF THE TOWN OF COCHRANE
2019 ROAD RECONSTRUCTION
NAKITA AND AURORA AVENUE FROM HIGHWAY 11 TO SECOND STREET
TENDER No. 2019-38

ADDENDUM NO. 1

ISSUED: Friday October 04, 2019

This addendum is issued prior to receipt of tenders and shall amend and / or clarify the work as follows:

1. Culvert specifications to be used per Items #9 and #10:

Thickness for new culverts to be installed are to be 1.6mm and galvanized corrugated steel pipe.

2. PG-AC Type to be used throughout the project is hereby changed from PG-AC 52-40 to PG-AC 58-34.

3. Traffic Control, Item #4, shall be amended to add the following:

The contractor is to coordinate with local businesses that will be affected by the road works. The contractor shall submit a traffic control plan to the Contract Administrator. The traffic control plan shall include but is not limited to; all details pertaining to road closures, scheduling, and accommodations to local businesses. This may include no road closures on regular supplier delivery days (example: Tims receive regular delivery Thursdays and Sundays). Contractor shall provide safety devices / traffic control devices to assist local businesses control traffic during road closures that reduce access to their business.

4. Item No. 24 – Dewatering:

Measurement for payment of Item No. 24 – Dewatering is to be “Per Day”

5. Excavation – Base and Subbase, Item No. 6.

Delete reference to Terraspec Engineering Inc.’s August 21, 2019 geotechnical report and replace with Terraspec’s September 11, 2019 geotechnical report.

6. Bid Table and Special Provisions Inconsistency:

A revised bid table is attached reflecting the Special Provisions within the tender document.
